HON. A. K. McCLURE, Philadelphia, Solicitor.

The Chinese Government having (through the Hon. Anson Burlingame) conceded to this Company the privilege of connecting the great seaports of the Empire by submarine electric telegraph cable, we propose commencing operations in China, and laying down a line of nine hundred miles at once, between the following ports, viz:

	Population.
Canton	1,000,000
Macoa	60,000
Hong-Kong	250,000
Swatow	200,000
Amoy	250,000
Foo-Chow	1,250,000
Wan-Chu	300,000
Ningpo	400,000
Hang Chean	1,200,000
Shanghai	1,000,000
Total	5,910,000

These ports have a foreign commerce of $900,000,000, and an enormous domestic trade, besides which we have the immense internal commerce of the Empire, radiating from these points, through its canals and navigable rivers.

The cable being laid, this company proposes erecting land lines, and establishing a speedy and trustworthy means of communication, which must command there, as everywhere else, the communications of the Government, of business, and of social life especially in China. She has no postal system, and her only means now of communicating information is by couriers on land, and by steamers on water.

The Western World knows that China is a very large country, in the main densely peopled; but few yet realize that she contains more than a third of the human race. The latest returns made to her central authorities for taxing purposes by the local magistrate make her population *Four hundred and Fourteen millions*, and this is more likely to be under than over the actual aggregate. Nearly all of these, who are over ten years old, not only can but do read and write. Her civilization is peculiar, but her literature is as extensive as that of Europe. China is a land of teachers and traders; and the latter are exceedingly quick to avail themselves of every proffered facility for procuring early information. It is observed in California that the Chinese make great use of the telegraph, though it there transmits messages in English alone. To-day great numbers of fleet steamers are owned by Chinese merchants, and used by them exclusively for the transmission of early intelligence. If the telegraph we propose connecting all their great seaports, were now in existence, it is believed that its business would pay the cost within the first two years of its successful operation, and would steadily increase thereafter

No enterprise commends itself as in a greater degree remunerative to capitalists, and to our whole people. It is of vast national importance commercially, politically and evangelically.

☞ The stock of this Company has been unqualifiedly recommended to capitalists and business men, as a desirable investment by editorial articles in the New York *Herald, Tribune, World, Times, Post, Express, Independent*, and in the Philadelphia *North American, Press, Ledger, Inquirer, Age, Bulletin* and *Telegraph*.

Shares of this company, to a limited number, may be obtained at $50 each, $10 payable down, $15 on the 1st of November, and $25 payable in monthly instalments of $2.50 each, commencing December 1, 1868, on application to

DEMOCRATIC PLATFORM.

1. That the federal government is limited in power to the grants contained in the Federal Constitution; that the exercise of doubtful constitutional powers is dangerous to the stability of the government and the safety of the people, and the democratic party will never consent that the State of Pennsylvania shall surrender her great right of local self-government.

2. That the attempted ratification of the proposed fifteenth amendment to the Federal Constitution by the radical members of the last legislature, and their refusal to submit the same to a vote of the people, was a deliberate breach of their official duty and an outrage upon every citizen of the State, and the resolution making such ratification should be promptly repealed and the amendment submitted to the people at the polls for acceptance or rejection.

3. That the Democratic party of Pennsylvania is opposed to conferring upon the negro the right to vote, and we do emphatically deny that there is any right or power in Congress or elsewhere to impose negro suffrage upon the people of this State in opposition to their will.

4. That reform in the administration of the federal and State governments, and in the management of their financial affairs is imperatively demanded.

5. That the movements now being made for the amelioration of the condition of the laboring man has our most cordial co-operation.

6. That the legislation of the late republican Congress "outside of the Constitution," the disregard of the majority therein of the will of the people and sanctity of the ballot box, in the exclusion from their seats in Congress of representatives clearly elected, the establishment of military governments in States in the Union and the overthrow of all civil governments therein, are acts of tyranny and usurpation that tend directly to the destruction of all republican government and the creation of the worst forms of despotism.

7. That our soldiers and sailors, who carried the flag of our country to victory must be gratefully remembered, and all the guaranties given in their favor must be faithfully carried into execution.

8. Equal rights and protection for naturalized and native-born citizens at home and abroad; the assertion of American nationality which shall command the respect of foreign powers and furnish an example an encouragement to people struggling for national integrity, constitutional liberty and individual rights.

9. That the present internal revenue and taxing system of the general government is grossly unjust, and means ought at once to be adopted to cause a modification thereof.

The report was accepted and unanimously adopted.

The Gettysburg heroes amused themselves the other day in designating the positions of the extreme left of the Army of the Potomac on the 2d of July. The examination of the entire field, with the noble work of peg-driving, is now almost complete. Visitors, who had expected a grand affair, have been deserting since the failure of the show became apparent on the first day, and the peg-drivers are pretty nearly left alone in their glory.

Prof. Jenkins made his promised trip over the Niagara, Wednesday of last week on a tight rope, and mounted on a bicycle. His machine was arranged so as to throw the weight under and place him virtually astride of the rope. It was a queer sight, a poor feat, but a sharp trick. Several thousand persons witnessed it.

The Governor of Colorado has called on the citizens of that country to arm and assist in the annihilation of the Indian tribes who are committing all sorts of violence and depredations there. Scouting parties sent out from Denver a few days ago, however, have returned without having seen any Indians.

The Utes and Apaches, it is feared, are visiting other tribes, now friendly to urge consolidated resistance to the Government's design of placing them upon reservations in the San Juan country. The settlers in New Mexico are very much unsettled about it.

Two miles of snow-shed on the Central Railroad, between Cisco and Summit stations, were burned on Wednesday night of last week. Considerable damage was done to the track, but was repaired in time to permit the passage of trains on Saturday.

The Spanish Government, it is announced, will send six thousand additional troops to Cuba within the next two weeks.

Aab, an American, who was recently arrested in Cuba by the Spanish authorities, has been released and is on his way home.

The Spaniards are enlisting more volunteers, black and white, in Cuba, to put down the rebellion.

They have improved upon the "square meal" in Montana. A saloon in Helena gives "cube meals" at a low price.

A Kansas reader of the Declaration of Independence on July 5th, began with, "Know all men by these presents."

The Janesville (Wis.) Gazette suspended publication for two days, "as the printers celebrate the 3d and the editors the 5th of July."

A LIVELY APPEAL.

We find the following stirring appeal to the people in the last *Carbon Democrat*. As it suits in every locality, and may perhaps be of use in awaking some of the sleepy-headed Democrats in this region, we publish it entire. We trust the Democracy will heed its advice:

FORM IN LINE!

Democrats of Pennsylvania,
Honest yeomanry of our grand old Commonwealth,
Laboring men,
Mechanics,
Tradesmen,
Artisans,

All who pay taxes, vote, and are amenable to the laws and have an interest in their construction and faithful execution.

A great contest is upon us.

A battle to be fought and we must win it!

Are you ready for the fight?

Look along your line and survey the field.

Are your forces thoroughly organized?

Have you your townships and subdistrict clubs in active working order?

Do you not know of at least one voter whom you can influence to cast his vote for Packer and a pure State administration?

Stop and think.

Then appeal to the man's conscience, his ideas of honesty and rectitude; his State pride and his duty to himself and family.

The argument is all with *you*.

Radicalism has no argument now and it never had.

It came into power in its incipient stage during a period of temporary national derangement.

It has only maintained that power by bayonets at the throats of the people in one section and by fraud and corruption in another.

As fast as the mailed hand is removed from the control of the States of the South, Radicalism dies, strangled by its own monstrous crimes.

In the northern States it has achieved temporary success through the medium of a wanton expenditure for party purposes of the people's money, and by the most outrageous and infamous system of corruption and ballot-box stuffing ever known and scarcely credible.

It can no longer scatter vast sums of money in lavish profusion to carry an election.

It has robbed the public coffers until nothing is left to steal, and the vast burden of taxation beneath which the people are now groaning is insufficient to keep up the expenses of a spendthrift administration.

Let it be hurled from power!

Workingmen of Pennsylvania, be it your duty and your pride to achieve the victory.

From the mines of the mountains,

From the farms of the valley, rally for

Packer and Pershing!

Peace and prosperity!

A TOUCHING SCENE.

[From the Little Rock (Ark.) Gazette, July 25.]

The Jacksonport *Herald* and Batesville *Times* have lengthy accounts of the capture and imprisonment for six years, of Mr. H. H. Lee, a cousin of Gen. R. E. Lee, and formerly a citizen of Madison, in this State. In November, 1862, he was arrested in Memphis, on a charge of speculating in Confederate money, put in the Irving Block for one night, and then shipped for Camp Douglas, Illinois.—Arriving there, the officer refused to receive him, because there was no law forbidding speculation in money of any kind. The lieutenant having him in charge, then started with him to Rock Island, accompanied by seven guards. They went to Milwaukee, Wis., and were going to put Lee in jail for safe keeping until they could have a spree. About this time Lee and one of his guards, who accompanied him, escaped, but were soon recaptured. Mr. Lee was then imprisoned in Milwaukee jail, and kept in close confinement for two and a half years without a trial. At the end of that time he was taken out and sentenced (without a trial) to four years' impriso nment in the state Prison, at Madison, Wis. During these four years he was not allowed to write to his friends, or read a book or newspaper of any kind, but was effectively excluded from the world. During this time his health was good. The time for release came. He went to Cincinnati, where he heard that his wife was dead, and he could hear nothing of his child. From there he went to Memphis, were he was received by his friends as one risen from the dead, and learned the joyful news that his wife and child, the latter a grown young lady, were both living, and at Batesville. The telegraph was used in announceing to his wife his safety, and stating that he would meet her at Jacksonport on the 13th. Says the *Herald:*

"They met, and such a meeting as it was never occurred within our knowledge. The joy of the wife at the sight of her restored husband was too great, and swoon after swoon followed in rapid succession." From here they went to Batesville, their future home, where we leave them, trusting that a long and happy life may be vouchsafed to the happy family, and trusting that this is the last Confederate prisoner.

"Do you think, doctor," asked an anxious mother, "that it would improve little Johnny's health to take him to the springs, and let him try the water?"

"I haven't a doubt of it madam."

"What springs would you recommend, doctor?"

"Any springs, madam, where you can find plenty of soap."

AGRICULTURAL EXPERIENCE.

1. All soils are benefitted by being under drained, but the benefit is most apparent and lasting in those of a clayey nature, or having a subsoil retentive of moisture.

2. After drainage, subsoiling and good cultivation are necessary to insure good crops on heavy soils.

3 Lime is the best manure to apply to strong clay soils. It renders them more pervious to light and heat, and also corrects their acidity, by combining with some of the chemical salts in the soil, making plant food of poison.

4. Summer fallowing is the most efficient and profitable means of preparing stroug soils for wheat, and of beginning a rotation, after grass has been grown a length of time.

5. Green crops plowed under, when in the most succulent state are powerful auxiliaries in rendering a light soil fertile, but if this is done too often successivelly the soil becomes overcharged with carbonaceous matter.

6. Leached ashes applied in large quantities to sandy soils, or those containing too much vegetable numus, will greatly ameliorate their condition and render them more compact.

7. There is no soil so poor or sterile but some mode may be found of ameliorating and enriching it.

8. Blowing sands may he gradually made productive by spreading six inches thick of straw over them, to remain till rotted. Then seed thickly with clover on the surface, without plowing, and when the clover has taken hold and becomes established, pasture sheep upon the land for two or three years preparatory to manuring and cultivating it.

9. Two successive grain crops on the same land leave it very foul.

10. Summer fallowing ameliorates a soil, and if properly done, gets rid of most of the weeds and noxious plants infesting it.

ACCIDENTAL INSURANCE.

Between Kenosha and Milwaukee, an agent of the Traveler's Insurance Company entered the car, and having issued tickets to several passengers, approached an elderly lady, who, as it afterward proved, was very deaf.

"Madam, would you like to insure against accidents?" inquired the agent, at the same time exhibiting his tickets.

"I got my ticket down to Kenosha," she said. "I am going to Oshkosh to visit my darter who's married up there, and has just got a baby."

The agent raised his voice a little.

"Would you like to insure your life against accidents.

"She's been married two years and a half, and that's the first child—its a gal."

Agent, still louder.

"I am an Insurance Agent, madam, don't you want to insure your life against accidents?"

"She's got along, first rate, and is doing as well as could be expected."

Agent, at the top of his voice.

"I'm an *insurance* agent, madam; can't I insure your life against accident's?"

"Oh, didn't understand you," said the old lady. "No, her name is Johnson; my name is Evans, and I live five miles from Kenosha."

A little darkey was recently found sitting on the steps of a fashionable house crying pitifully. "What's de matter wid you?" asked a colored woman. "Dar's matter 'nuff—drouble all ober the house. Fadder am drunk—mudder am from home wid de close—Sis broke looking-glass wid de broomstick—de baby got her eyes full ob kyan pepper, and little Ned Anthony put de mustard on his hair for goose-grease. I put salt in my tea for white sugar, and it made me sick. De dog licked Ned's face and got his mouth full ob mustard and lies under the bed a howlin'. De kitten got her head in de milk-pot, and I cut her head off to save de pitcher, and den I had to break de pitcher to get de head out; and de way I'll get licked when mudder comes home for setting de bed afire will be a sin."

VALUABLE RECEIPTS.

HASTY PUDDING.—A correspondent writes as follows: If any of your lady readers should wish for something for a dessert when they have company unexpectedly and not prepared, the following will be found excellent and the dish wholesome and very quickly made: One pint of milk and one half pint of flour, two eggs, pinch of salt, flavor with nutmeg, bake in square pans in a hot oven about half an hour, as it is quickly made can be put in the oven just before sitting down to dinner and be just ready when wanted. Serve with butter and sugar.

AN EXCELLENT CAKE RECIPE.—Two eggs, one half-teacup of molasses, one-fourth teacup of shortening, one teacup of buttermilk, one tea-spoon of cinnamon, one teaspoon of salæratus, two teacups of unbolted wheat flour; bake half an hour. A very healthy cake, and those who may give it a trial will not be troubled with indigestion. Tough!

AMBROSIA.—Take oranges, peel and and cut in rounds, place some in a deep dish, sprinkled with sugar, add a layer of grated cocoanut; fill the dish with successive layers of the same, orange and cocoanut. Place on the ice and serve, when you will have food indeed fit for the gods.

The following proves incontestibly the purity and high honor of the Democratic candidate for Governor:

JUDGE PACKER IN CONGRESS.—When Judge Packer was in Congress, a bill was introduced to reduce the duty on iron, and repay that which had been paid by importers. The Judge was then an extensive railroad man, and had taken a heavy contract to supply rails, amounting to several millions of dollars. The repeal of the duty would have added enormously to his profit, and every motive of self interest, added to the arguments of his friends, would have induced him to favor the bill. He felt it to be his duty however, to vote against it, and the bill was defeated.

When his vote had been recorded he turned to one of his colleagues, and said:

"The success of this bill would put half a million dollars into my pocket." "Why didn't you vote for it, then?" was asked. "Because I cannot consistently with my principles. I know that Pennsylvania needs a tariff, and I will not not vote to cripple my State."

WHICH?—If Governor Geary was not linked in with, and a part and parcel of the Ring which controlled the Legislature at Harrisburg during the last three years, we ask his friends to inform us why he did not, as he could and should have done, interpose his vetoes? There was nothing to prevent this, save the fact that he was "as deep in the mud as the Ring was in the mire." He was either a voluntary aider and abettor of the shameless prostitution of the people's interests by the Ring, or he was the pliant tool of that Ring, not possessing discernment sufficient to detect the wrongs and promptly defeat them. Which horn of the dilemma will his supporters take? Can they accept either, and yet honestly support him? He has proven himself either corrupt or incompetent. Is such a man fit to be longer entrusted wi h the Executive department of this great Commonwealth? We pause for a reply.

A little five year old was being instructed in morals by his mother. The old lady told him that all such terms as "by golly!" "by jingo!" "by thunder," etc., were only minced oaths, and but little better than any other profanity. In fact, she said, he could tell a profane oath, by the prefix 'by'—all such were oaths.

'Well then, mother," said the little hopeful, "there's a big oath in the newspapers—"By telegraph."

The old lady gave it up, and the boy is bewildered on morals.

(Operator's indignation is great.)

"The candles you sold me last ntght were very bad," said Suett to a tallow-chandler.

"Indeed, sir, I am very sorry for that."

"Yes, sir; do you know they burnt to the middle, and would then burn no longer."

"You surprise me; what, sir, did they go out?"

"No, sir, no; they burned shorter?"

A Western traveler, having secured half a bed, in order to prevent encroachments, buckled a spur on his heel, before retiring. His unfortunate sleeping-partner, after several thrusts of the sharp reminder, roared out: "Say, stranger, if you are a gentleman, you ought at least to cut your toe-nails."

FOR THE CAMPAIGN!

RALLY IN YOUR MIGHT!

Read, Think and Act!

Our appeal is to the intelligent, the candid and the independent. We ask only that people shall *understand* the issues before them, and that, understanding them, they reflect upon their duty in the premises and then discharge what they believe to be that duty when they come to cast their ballots. In order that the questions to be voted upon at the coming election, may be fairly and fully presented to the public, the BEDFORD GAZETTE will be furnished for the campaign, at the following low rates:

One copy	$0.50
Three copies	1.20
Five copies	1.75
Ten copies	3.00
Twenty copies	5.00

In all cases the cash must accompany the order. We respectfully ask the active men of our party to get up clubs for the campaign at every post-office in the county. In no other way can the good cause be more effectively supported than by the circulation of Democratic newspapers. It ought to be an easy matter to raise a club of twenty at any post office. GEARY'S PLATFORM.

Resolved, That we wholly approve the principles and policy of the administration of General Grant, and we heartily endorse every sentiment contained in his inaugural address, *and especially do hereby ratify and approve the late amendment to the Constitution of the United States proposed by Congress, known as the Fifteenth Amendment.—Radical Platform adopted at Philadelphia, June 24, 1869.—See Bedford Inquirer of July 2.*

FUDGE!

The *Inquirer* is badly cornered on the subject of the State Debt, and tries to wriggle out of its sorry predicament in the following style:

In December 1868, just eight years later, all of Republican rule, taking the *Gazette's* own statement the debt was $33,286,946,13. But the *Gazette* forgot to make a very important deduction from this amount. At the time of this report there were in the State Treasury stocks, bonds and other funds as assets, making an offset from the public debt to the amount of $10,795,353,62 beside $1,012,925,37 in cash making an aggregate of $11,808,278,99 to be deducted from the $33,286,946,13 and leaving as the actual debt to be provided for $21,478,667,14 against $41,457,167,50.

Is it ignorance, or malice, that is the parent of this misrepresentation? For charity's sake, we conclude that it is the former. The stocks, bonds, &c., amounting to $10,795,353.62, were in the Treasury *during Gov. Packer's administration, and were placed there by the sale of the public works.* When Packer went out of office, (since which period the Radicals have had the State government) the State Debt was $37,969,847.50. This statement the *Inquirer* admits to be true. If the $10,795,353.62 of bonds and stocks in the Treasury (at that time as well as now) be deducted, then the amount of debt left when the Democrats went out of power was only $27,174,493.88. The *Inquirer* claims that with the deduction of the above amount of bonds, stocks, and money in the Treasury last December, the debt at present is $21,478,667.14. According to its own figures, then, in eight years the Radicals have paid off but a little over five and a half millions. But during those eight years upwards of *twenty five millions* (including the receipts of 1868 nealy *twenty eight millions*) have been paid in taxes into the State Treasry, which by law should have gone into the Sinking Fund for the payment of the State Debt; *a sum actually greater than the whole debt!* What became of this immense fund? Ay, there's the rub! Let the *Inquirer* answer, if it can.

WE want our political opponents to understand that while we are willing to meet them in fair and honest discussion we cannot consent to gross personalities or low vulgarity. Let political discussions be decent and dignified.—*Inquirer.*

Whenever that miserable coinage of the Radical slang-mint, the infamous epithet "*Copperhead*," is blotted out of the *Inquirer's* vocabulary, it may lay claim to some decency and dignity. Until that is done, its reproof of its political opponents will seem very much like Satan reproving sin.

Let every Democrat see to it that he is registered.

The drought is killing the forest trees in the vicinity of Richmond.

A SOLID FRONT!

The Democrats of Bedford county have now an opportunity to increase their majority largely and to assist in winning a splendid victory for Packer, Pershing and the whole ticket. The State nominations command the respect even of our political opponents, and some of the most distinguished men in the Radical party have testified to the worth and excellence of Asa Packer and Cyrus L. Pershing.

The district ticket is one of the best presented for the suffrages of the people for years. Hiram Findlay our nominee for State Senator, is a man who is admired by all who know him, for his energy, uprightness and correct business habits. He has been a working-man all the days of his life, and his success in business is due solely to his good judgment, unflagging industry, and excellent moral character. Judge Noble is too well known to our people to need any eulogy. He is a man who can be trusted in any position. No man fears that if Joseph B. Noble is elected, the vote of Bedford county will be cast for any of the schemes of the legislative "ring." Capt. Sipe is, also, a first rate man. He comes before the people of Bedford county with the highest recommendations from our neighbors in Fulton. He was a soldier who served his country gallantly and faithfully.

The County Ticket is composed of the very best material. John P. Reed, for Prothonotary, is a nomination that challenges the approval of every right-thinking man. Mr. Reed is well acquainted with the duties of the office for which he is a candidate. He has had experience in the performance of those duties; he is one of the most correct accountants and one of the best counselors-at-law in the State. He has suffered greatly from the persecutions of political enemies, and the sympathy of every Democrat in the county should be aroused in his behalf.

Wm. Keyser, the Democratic nominee for Sheriff, deserves especial mention. He is one of those men whose lives ennoble the humble calling of the laborer. Once a poor boy toiling for his daily bread, by patient labor, strict integrity and correct habits, he has won himself such a position in society and in his party as to indicate him as a proper person to fill the office for which he is a candidate. The enemies of the Democratic party hate him, of course. John Cessna, the contemptible trickster who now manipulates Radical politics in this county, has a particular grudge against him. In 1863, the immaculate John desired the Democratic nomination for State Senator. William Keyser was one of the Conferees. *Cessna couldn't buy him* and therefore hates him. At present he is busily engaged in all sorts of schemes to injure Wm. Keyser at the election. Who would be the tool of John Cessna in his base intrigues with the enemies of William Keyser? Who would lend himself to this despicable renegade to be an instrument for his revenge on the man who refused his bribe? Shame on the Democrat who would take Cessna's dagger to strike down William Keyser!

The remainder of the County Ticket is unexceptionable. We shall speak of the gentlemen who compose it more fully hereafter. *Every man on the ticket*, from Prothonotary to Auditor, *was fairly nominated*, after a free and full and prolonged canvass. We are aware that all sorts of tales have been set afloat in regard to the manner in which the primary election was conducted. But these are as false in regard to the friends of one candidate as they are in regard to those of the others. It was a fair contest. The *majority* decided who should be the candidates. Now, let us act like men, like Democrats. Let us pesenta *solid front* to the enemy and march forward to victory!

DOESN'T WANT IT.

In our issue of August 26th, we stated that upwards of *twenty five millions* of dollars have been gathered into the State Treasury, since the Radicals came into power, which under the Sinking Fund Act, ought to have been applied to the payment of the State Debt, but that only about *four millions and a half* have been thus applied; that the interest on the State loans has been increased, under Geary's administration, from 5 to 6 per cent., that the Radical officials at Harrisburg compel the county commissioners of the several counties to pay *State Tax* on Real estate out of the *County Levy*; and that the people of Pennsylvania pay upwards of *Two Millions* more *State Tax* per annum, under Radical rule than they did during Gov. Packer's administration, the last one under Democratic auspices. We then proposed that we would forfeit *One Hundred Dollars* to any man who would show that we had made a single mis-statement in regard to those matters, and called upon the *Inquirer* to point out anything not strictly true in our allegations. That paper has failed to come to time. It cannot find a single flaw in our statements. We now call upon it to acknowledge the truth of what we alleged. If its editor is as candid as he claims to be dignified, he is bound to make this admission. He evidently doesn't want the $100.

During the years 1867 and 1868, (the first two of Geary's administration) *Seven Millions of Dollars*, over and above the payments on the State Debt; were taken out of the State Treasury. As the radical organs fail to show what became of those *Seven Millions*, it is presumed that some "loil" Paster and Folder carried it off, as shown in the above cut.

GRAND DEMOCRATIC RALLY!

Brightly Breaks the Morning!

THE PEOPLE IN MOTION, FOR PACKER AND PERSHING.

The State, District and County Tickets Endorsed!

Pursuant to public notice, the Democrats and Conservatives of Bedford county assembled in Mass Meeting, at the Court House, on Monday night last. Notwithstanding the inclemency of the weather, the Court House was filled to overflowing with an attentive and enthusiastic audience. On motion of E. F. Kerr, Esq., chairman of the Democratic County Committee, the following organization was effected: President, J. Thomas Gephart, Esq.; Vice Presidents, John Boor, W. O. Leary, B. F. Edwards, J. D. Lucas, H. P. Diehl, A. W. Swoope, Jas. Cessna, Esq., J. J. Powell, Henry Fluck, Peter F. Lehman, James Roades, Geo. W. Beales, Emanuel Shearer, Andrew Crisman, S. McFeeters, Geo. Baughman, Geo. Shearer, Hugh Wilson, John W. Crisman, F. D. Beegle, John Frazer, Geo. Beegle, Daniel Barley, Aaron Reed, Hon. W. G. Eicholtz; Secretaries, William Foster, D. A. T. Black, John H. Bowser, Capt. S. B. Tate, J. H. H. Sparks.

The object of the meeting was then stated by B. F. Meyers, who introduced Capt. Geo. W. Skinner (late of the 77th P. V.) of Chambersburg, as the first speaker of the evening. Capt. Skinner delivered an able and convincing address. He was followed by W. S. Stenger, Esq., District Attorney of Franklin county, in one of the most eloquent and powerful speeches to which we have ever listened. After Mr. Stenger had concluded, R. Milton Speer, Esq., of Huntingdon, was called upon to address the meeting. Mr. Speer responded in a most effective effort, addressing himself closely and in an eminently logical manner to the living issues of the day. The speakers were frequently interrupted with rounds of applause.

J. M. Reynolds, Esq., then offered the following resolutions, which were unanimously adopted:

Resolved, by the Democratic Party of Bedford County, in the language of the platform adopted by the late State Convention,

1. That the federal government is limited in power to the grants contained in the Federal Constitution; that the exercise of doubtful constitutional powers is dangerous to the stability of the government and the safety of the people, and the democratic party will never consent that the State of Pennsylvania shall surrender her great right of local self-government.

2. That the attempted ratification of the proposed fifteenth amendment to the Federal Constitution by the radical members of the last legislature, and their refusal to submit the same to a vote of the people, was a deliberate breach of their official duty and an outrage upon every citizen of the State, and the resolution making such ratification should be promptly repealed and the amendment submitted to the people at the polls for acceptance or rejection.

3. That reform in the administration of the federal and State governments, and in the management of their financial affairs is imperatively demanded.

4. That the movements now being made for the amelioration of the condition of the laboring man have our most cordial co-operation.

5. That the legislation of the late republican Congress "outside of the Constitution," the disregard of the majority therein of the will of the people and sanctity of the ballot box, in the exclusion from their seats in Congress of representatives clearly elected, the establishment of military governments in States in the Union and the overthrow of all civil governments therein, are acts of tyranny and usurpation that tend directly to the destruction of all republican government and the creation of the worst forms of despotism.

6. That our soldiers and sailors, who carried the flag of our country to victory must be gratefully remembered, and all the guaranties given in their favor must be faithfully carried into execution.

7. Equal rights and protection for naturalized and native-born citizens at home and abroad; the assertion of American nationality which shall command the respect of foreign powers and furnish an example and encouragement to people struggling for national integrity, constitutional liberty and individual rights.

8. That the present internal revenue and taxing system of the general government is grossly unjust, and means ought at once to be adopted to cause a modification thereof.

Resolved, That we heartily endorse the nominations of Hon. Asa Packer, for Governor, and Hon. Cyrus L. Pershing, for Supreme Judge, believing them to be earnest friends of reform, and recognizing in their public record abundant evidence that they possess the Jeffersonian qualifications, honesty and capability.

Resolved, That the nomination of Hiram Findlay for State Senator, and that of Joseph B. Noble and Thomas Sipe for Representatives, meet our cordial approval; and we hereby pledge the people of this Senatorial and Representative district, that should they choose these gentlemen to represent them in the legislature, they will secure three votes for the repeal of the fraudulent ratification of the Fifteenth Amendment, three votes for the reduction of the expenses of the State government, and three votes against the "Ring" which robs the Treasury and levies black mail on all who go to Harrisburg for legislation.

Resolved, That the Democratic County Ticket, composed as it is of the very best men in the county, challenges and will receive our hearty, united and enthusiastic support.

Resolved, That the unlawful demands of the Radical State officials, on the Commissioners of the several counties, for large sums of money, now that the State Tax on Real Estate has been repealed, should be investigated by the legislature and such legislation be had as will protect the people against these plunderers.

The meeting then adjourned with three cheers for Packer, Pershing and the whole Democratic Ticket.

THE RADICAL SENATORIAL IMBROGLIO.

Our Radical friends do not take kindly to the re-nomination of Senator Stutzman. The fact is Stutzy suits the Democrats about as well as he does the "Republicans." During the last session of the legislature, he voted with the Democrats on every test question, except the Fifteenth Amendment. He is not our nominee; we are for Hiram Findlay; but if the Radicals choose to re-elect Stutzy, he is the man whom we prefer to all other Radicals in the district. He will always vote with the Democrats when the argument seems to be in their favor; except in case the repeal of the Fifteenth Amendment should come before the Senate, in which event the Radicals may count on him as sure to stand by the Amendment, no matter how strong the argument against it.

Apropos of this subject, the Radical Senatorial Conferees from this county, published in the Bedford *Inquirer*, of last week, the following manifesto:

A CARD.

To the Republicans of Bedford County:

At the election held on the 19th of March last, the Republicans of Bedford County selected as their candidate for the office of State Senator, G. SHANNON MULLIN, of Harrison township, and we were chosen as conferees from the county of Bedford to meet similar conferees from the counties of Somerset and Fulton. The conference met at Bedford on Thursday the 26th day of August, and was organized by the appointment of Hamilton B. Barnes of Somerset county as chairman, and Harry E Shafer of Fulton county as secretary, and continued in session until the evening of Saturday the 28th of August. The conferees of Somerset county nominated Alexander Stutzman; the conferees of Fulton nominated Jonathan B. Cessna, and the conferees of Bedford county nominated G. Shannon Mullin. A number of ballots were taken—the conferees of each county generally voting for the nominee of their county. On Saturday afternoon it became manifest that two of the conferees from Fulton county would vote for Alexander Stutzman and with the three votes from Somerset county would give him the nomination. Against this action we protested until we found it was useless to do so longer, and we then on Saturday evening withdrew from the conference, refusing to unite in presenting Mr. Stutzman to the Republicans of this Senatorial District as their candidate for the important office of State Senator. Mr. Stutzman, as we are informed, received the nomination of his county as a mere compliment with no idea on the part of the Republicans of Somerset county that he could or would obtain the nomination of the District. For four years he has been a member of the Senate of Pennsylvania and in our opinion and in the opinion of a large number of his constituents shoved by his conduct in Harrisburg that he ought not to be re-elected. We were satisfied from the views expressed to us by a considerable number of Republicans that, if nominated, he could not be elected, and if he could, he ought not to be elected, and we, therefore, declined to assist in placing his name before the people. Believing that we have done right we submit our conduct to you, confident that you will approve it.

We made every effort to avoid all difficulty by offering to agree to any good man from Somerset county, but the conferees of that county would have no man but Stutzman, and by some means they influenced two of the conferees from Fulton county to go with them.

BRIEF NEWS ITEMS.

The St. Louis people are still stiring up the question of the removal of the United States Capital to that city.—Governor Geary, of Pennsylvania, declines to send a delegate to the Convention which is to consider the subject. So also does the Governor of Indiana. The Mayor of Memphis thinks the Convention ought to be postponed a year; Governor Warmouth, of Louisiana, is in favor of the removal, and H. S. Foote, "has been in favor of it for twenty years."

On the 13th ult., one Albert Brown, a negro committed a rape on Lenora Haunon, white, aged sixteen years, in Troy township, Bradford county. The family were absent, and the wretch in human form took this opportunity to accomplish his designs. The details are of the most revolting character. SPECIAL NOTICES.

Schenck's Pulmonic Syrup,

Seaweed Tonic and Mandrake Pills, will cure Consumption, Liver Complaint, and Dyspepsia, if taken according to directions. They are all three to be taken at the same time. They cleanse the stomach, relax the liver, and put it to work: then the appetite becomes good; the food digests and makes good blood; the patient begins to grow in flesh; the diseased matter ripens in the lungs, and the patient outgrows the disease and gets well. This is the only way to cure consumption.

To these three medicines Dr. J. H. Schenck, of Philadelphia, owes his unrivalled success in the treatment of pulmonary consumption. The Pulmonic Syrup ripens the morbid matter in the lungs, nature throws it off by an easy expectoration, for when the phlegm or matter is ripe, a slight cough will throw it off, and the patient has rest and the lungs begin to heal.

To do this, the Seaweed Tonic and Mandrake Pills must be freely used to cleanse the stomach and liver, so that the Pulmonic Syrup and the food will make good blood.

Schenck's Mandrake Pills act upon the liver, removing all obstructions, relax the ducts of the gall-bladder, the bile starts freely, and the liver is soon relieved; the stools will show what the Pills can do; nothing has ever been invented except calomel (a deadly poison which is very dangerous to use unless with great care), that will unlock the gall-bladder and starts the secretions of the liver like Schenck's Mandrake Pills.

Liver Complaint is one of the most prominent causes of Consumption.

Schenck's Seaweed Tonic is a gentle stimulant and alterative, and the Alkali in the Seaweed, which this preparation is made of, assists the stomach to throw out the gastric juice to dissolve the food with the Pulmonic Syrup, and it is made into good blood without fermentation or souring in the stomach.

The great reason why physicians do not cure consumption is, they try to do too much; they give medicine to stop the cough, to stop chills, to stop night sweats, hectic fever, and by so doing they derange the whole digestive powers, locking up the secretions, and eventually the patient sinks and dies.

Dr. Schenck, in his treatment, does not try to stop a cough, night sweats, chills, or fever. Remove the cause, and they will all stop of their own accord. No one can be cured of Consumption, Liver Complaint, Dyspepsia, Catarrh, Canker, Ulcerated Throat, unless the liver and stomach are made healthy.

If a person has Consumption, of course the lungs in some way are diseased, either tubercles, abscesses, bronchial irritation, pleura adhesion, or the lungs are a mass of inflammation and fast decaying. In such cases what must be done? It is not only the lungs that are wasting, but it is the whole body. The stomach and liver have lost their power to make blood out of food. Now the only chance is to take Schenck's three medicines, which will bring up a tone to the stomach, the patient will begin to want food, it will digest easily and make good blood: then the patient begins to gain in flesh, and as soon as the body begins to grow, the lungs commence to heal up, and the patient gets fleshy and well. This is the only way to cure consumption.

When there is no lung disease, and only Liver Complaint and Dyspepsia, Schenck's Seaweed Tonic and Mandrake Pills are sufficient without the Pulmonic Syrup. Take the Mandrake Pills freely in all billious complaints, as they are perfectly harmless

Dr. Schenck, who has enjoyed uninterrupted health for many years past, and now weighs 225 pounds, was wasted away to a mere skeleton, in the very last stage of Pulmonary Consumption, his physicians having pronounced his case hopeless and abandoned him to his fate. He was cured by the aforesaid medicines, and since his recovery many thousands similarly afflicted have used Dr. Schenck's preparations with the same remarkable success. Full directions accompanying each, make it not absolutely necessary to personally see Dr. Schenck, unless the patients wish their lungs examined, and for this purpose he is professionally at his Principal Office, Philadelphia, every Saturday, where all letters for advice must be addressed. He is also professionally at No. 32 Bond Street, New York, every other Tuesday, and at No. 35 Hanover Street, Boston, every other Wednesday. He gives advice free, but for a thorough examination with his Respirometer the price is $5. Office hours at each city from 9 A. M. to 3 P. M.

Price of the Pulmonic Syrup and Seaweed Tonic each $1.50 per bottle, or $7.50 a half-dozen. Mandrake Pills 25 cents a box. For sale by all druggists.

LET EVERY MAN, WOMAN AND CHILD

READ THIS!

Their own interests are at stake in this matter. Everybody has suffered so much from the accursed CREDIT SYSTEM, if system it can be called, that I intend to offer to everybody a panacea for the evil in the future.

On and after the first day of June, 1869, I will sell goods EXCLUSIVELY FOR CASH OR PRODUCE. No doubt some customers may be lost to me, but I flatter myself that it will be only those from whom I cannot collect present accounts.

All goods will be sold at about one-half the profit now paid by consumers. The people often complain of Bedford prices being higher than elsewhere, and it is doubtless true, to some extent, for the reason that good customers have had to pay for others' goods with an additional profit on their own.

Let an intelligent community sustain me in this enterprise and they WILL SAVE FROM TEN TO FIFTEEN PER CENT. ON EVERYTHING THEY CONSUME.

may14m3 H. F. IRVINE.

NOTICE.—All accounts not settled by the first day of June, 1869, either by cash or note, will be put in the hands of an officer for collection. Friends will please take notice, and by so doing will save trouble and costs.

TOWNSHIP NOMINATIONS.

The Democrats of the several townships and boroughs of Bedford county, are requested to meet at the usual places of holding delegate elections, on SATURDAY, SEPT. 25, at such hours as the primary committees may appoint, for the purpose of placing in nomination township and borough tickets to be supported at the coming general election. The township of South Woodberry will make its nominations on Friday, Sept. 24.

By order of the Dem. Co. Com.,
E. F. KERR,
Chairman.

MEETING OF THE COUNTY COMMITTEE.—Pursuant to notice the Democratic County Committee met at the Grand Jury Room, (and adjourned to the GAZETTE Office) on Tuesday last. After the transaction of other business, the following resolutions were offered by F. D. Beegle and unanimously adopted:

Resolved, That we heartily endorse the nominations of Asa Packer and Cyrus L. Pershing, as eminently fit to be made and recommend them to the support of the people.

Resolved, That the nomination of Hiram Findlay, for Senator, and Joseph B. Noble and Thomas Sipe, for Representatives, meet our cordial approbation, and should be endorsed by a large majority at the polls.

Resolved, That we recognize the nominations of John P. Reed for Prothonotary, Wm. Keyser for Sheriff, Hugh Moore for Treasurer, and the remainder of the Democratic County Ticket as regularly and fairly made in accordance with the rules of the party, and recommend them to the cordial support of the people of the county.

On motion the committee adjourned.

Chairman.

Peaches are plenty, but few are offered in our market yet.

Grant is swinging 'round the circle. As a swingist he is a success.

Democrats, attend to having your names registered, *at once*. Don't wait.

The Siamese twins were on exhibition, at Huntingdon, last Thursday.

Going up—the mammoth building of J. M. Shoemaker.

Important question—"Are you registered?"

Lamps have been put up in front of the court house. This will throw more light on the subject.

The nicest improvement in Bedford—the steps and platform at the court house.

Dr. Reamer is putting up a fine residence on the corner of Bedford and John streets.

Men who are all cheek are rarely men of brains. Nature can't support too much in one establishment.

The house of Mr. John Feig, of Northampton tp., Somerset county, was robbed last Sunday night a week.

Our ladies are busy preserving.—Now is the accepted time for them to perform the can-can.

Our neighboring county, Somerset, is suffering from the depredations of horse thieves.

A lady viewing the recent eclipse through a smoked glass, remarked she could see the moon plain enough—but didn't see where the sun was.

The local of the Somerset *Democrat* has an article on "how to keep cool." We have had some trouble down here, in keeping properly "warmed up."

Hollidaysburg and Altoona are to have rival fairs. That may be all right, but it is often unpleasant to have a fair rival.

The Radical party in Huntingdon county is rent in twain, and each faction has an "organ." Let us have Peace!

Rev. Geo. H. Johnson, of Somerset, was waylaid by a masked robber, near Laughlinstown and relieved of all his money and a valuable watch.

Our evenings are now made pleasant by the cheerful chirp of the cricket, and the confab of the katydids. Their music reminds us that autumn is approaching, and that soon another year will be added to the past.

The new style of pants (for gentlemen, of course, not female reformers) will be more flowing than the current mode. In other words, there will be an appreciable space between the garment and the skin.

The turnpike bridge across the Juniata, in the "Narrows," below town, fell down on Tuesday afternoon. Two teams were just at the end of the bridge, and about crossing when it went down with a crash.

The Allegheny Synod of the Evangelical Lutheran church will hold its annual meeting in the Lutheran church, in this place, commencing on Wednesday, the 15th instant, and continue in session about a week. The Synod is composed of 42 clerical and an equal number of lay delegates.

The Huntingdon *Globe* says, "President Grant was fined $60 for fishing for trout in Elk county this State, after the 1st of August." Served him right. He should have been fined for Sabbath breaking, besides, for it is said he caught the speckled beauties on Sunday.

The Corner Stone of the Reformed Church, at Fishertown, this county, was laid with proper ceremonies, on Saturday last. The Rev. L. Cort, of Martinsburg, Blair county, preached an appropriate sermon on the occasion. The pastor, the Rev. C. U. Heilman, was also assisted in the services by Revs. N. H. Skyles, N. E. Gilds, H. Heckerman, of the Ref. Church, and Rev. Mr. Kitzmiller, of the Lutheran Church. The Church is being built on the land of Valentine Fickes.

HOW TO PICKLE PEACHES.—Put ripe, but not soft, peaches in scalding hot water for one minute. Wipe them immediately with a dry cloth, in order to remove the down of the peach skin. Take good, but not the sharpest vinegar, spice it with cinnamon and mace, and to each gallon put three pounds of brown sugar. Add the beaten whites of two or three eggs, scald, and skim till clear, taking the kettle from the fire each time it is skimmed. When partly cooled, turn it over the peaches just covering them. A gallon of vinegar, with three pounds of sugar, is sufficient for about a peck of peaches.

A pair of horses attached to a buggy took unto themselves the "freedom of the city" and rushed wildly along Bedford street, on last Saturday afternoon. Small shade trees and other impediments were overcome with a recklessness that only runaway horses know how to practice. By the time the excited animals reached Penn street they had succeeded in making a perfect wreck of the buggy, and had unhitched themselves handsomely. Up Penn, down Juliana, down Pitt, they fled, frightening children and alarming mothers, when they were captured at the corner of Richard. Several children barely escaped with their lives. The team belonged to Mr. John Patterson. Fortunately no one was in the buggy at the time of the accident.

ALTOONA PARK ASSOCIATION.—The First Annual Exhibition of the Altoona, Park Association, at Altoona, Pa., will be held September 28th, 29th and 30th, and October 1st, 1869. The Premium List foots up $2,758. On stock, the premiums range from $5 to $50, according to grade and quality. On manufactured articles, cereals and vegetables, the premiums are equal to those of the State Agricultural Society, while $1,050 will be awarded to owners of fast horses, including one premium of $500 to the fastest trotter—mile heats—best three in five.—There is an excellent half mile course, forty feet wide, and of easy grade, within the Park. There will be a grand fireman's Parade and a trial of Steam Fire Engines, for a purse of $25, on Thursday, September 30th. Also, slow time, and velocipede races and a race between a fast horse and a steam velocipede. *All entries*, except horses entered for speed, ARE FREE, and competition open to all parts of this and other States. *Excursion Tickets* will be issued from all stations on the Pennsylvania Railroad, and all stock or articles shipped over the road named, on which full fare, to Altoona, has been paid, will be returned FREE OF CHARGE. Any further information desired, may be had by addressing E. B. McCrum, Secretary of the Association, at Altoona.

A friend who has travelled in Germany, reports the following incident, for which he vouches: During the summer, Dr. J. C. Ayer spent some weeks at Dresden, in conference with the chemists of Central Europe, where he was heralded as the inventor of the world renowned medicines that bear his name, and considered one of the American celebrities. While riding, one day, his open carriage fell in with the cortege of the King of Saxony, on a drive from the review. The Doctor soon became the chief attraction and received the marked attention of the people, who were even more demonstrative in their courtesies to him than to the King himself whom they see so constantly. King John, observing this, wrapped his military cloak around him and reclined upon his seat, while our great American medicine man did the honors for the royal retinue, graciously bowing, hat in hand, on every side, until wearied by his excessive condecension to this old monarch's people.

The young lady who took the gentleman's fancy has returned it with thanks.

And the said act of assembly entitled "an act relating to elections of this Commonwealth," passed July 2, 1819, further provides as follows, viz:

"That the Inspector and Judges shall meet at the respective places appointed for holding the election in the district at which they respectively belong, before 7 o'clock in the morning of the SECOND TUESDAY OF OCTOBER, and each said inspector shall appoint one clerk, who shall be a qualified voter of such district.

"In case the person who shall have received the second highest number of votes for inspector shall not attend on the day of any election, then the person who shall have received the second highest number of votes for Judge at the next preceding election shall act as an Inspector in his place. And in case the person who shall have received the highest number of votes for Inspector shall not attend, the person elected Judge shall appoint an Inspector in his place; and in case the person elected a Judge shall not attend, then the Inspector who received the highest number of votes shall appoint a Judge in his place; and if any vacancy shall continue in the board for the space of one hour after the time fixed by law for the opening of the election the qualified voters of the township, ward or district for which such officer shall have been elected, present at the place of election, shall elect one of their number to fill such vacancy,

"It shall be the duty of the several assessors respectively to attend at the place of holding every general, special or township election, during the whole time such election is kept open, for the purpose of giving information to the Inspectors and Judge, when called on, in relation to the right of any person assessed by them to vote at such election, and on such other matters in relation to the assessment of voters, as the said Inspectors or other of them shall from time to time require.

"No person shall be permitted to vote at any election as aforesaid, than a white citizen of the age of twenty-one or more, who shall have resided in this State at least one year, and in the election district where he offers to vote, ten days immediately preceding such election, and within two years paid a State or county tax, which shall have been assessed at least ten days before the election. But a citizen of the United States who has previously been a qualified voter of this State and removed therefrom and returned, and who shall have resided in the election district and paid taxes aforesaid, shall be entitled to vote after residing in this State six months. *Provided*, That the white freemen, citizens of the United States, between the age of twenty-one and twenty two years who have resided in the election district ten days as aforesaid shall be entitled to vote, although they shall not have paid tax.

By the Act of Assembly of 1869, known as the "Registry Law," it is provided as follows:

1 "Election Officers are to open the polls between the hours of six and seven, A. M., on the day of election. Before six o'clock in the morning of second Tuesday of October they are to receive from the County Commissioners the Registered List of Voters and all necessary election blanks, and they are to permit no man to vote whose name is not on said list, unless he shall make proof of his right to vote as follows:

2. The person whose name is not on the list, claiming the right to vote must produce a qualified voter of the district to swear in a written or printed affidavit to the residence of the claimant in the district for at least ten days next preceding said election, defining clearly where the residence of the person was.

3. The party claiming the right to vote shall also make an affidavit, stating to the best of his knowledge and belief where and when he was born, that he is a citizen of Pennsylvania and of the United States, that he has resided in the State one year, or, if formerly a citizen therein and removed therefrom, that he has resided therein six months next preceding said election, that he has not moved into the district for the purpose of voting therein, that he has paid a State or county tax within two years, which was assessed at least ten days before the election, and the affidavit shall state when and where the tax was assessed and paid, and the tax receipt must be produced unless the affiant shall state that it has been lost or destroyed, or that he received none.

4. If the applicant be a naturalized citizen, he must, in addition to the foregoing proofs, state in his affidavit, when, where, and by what court he was naturalized, and produce his certificate of naturalization.

5. Every person, claiming to be a naturalized citizen, whether on the registry list, or producing affidavits as aforesaid, shall be required to produce his naturalization certificate at the election before voting, except where he has been for ten years consecutively a voter in the district where he offers to vote; and on the vote of such person being received, the Election Officers are to write or stamp the word "voted" on his certificate with the month and year, and no other vote can be cast that day in virtue of said certificate except where sons are entitled to vote upon the naturalization of their father.

6. If the person claiming to vote who is not registered shall make an affidavit that he is a native born citizen of the United States, or, if born elsewhere, shall produce evidence of his naturalization, or that he is entitled to citizenship by the reason of his father's naturalization, and further, that he is between 21 and 22 years of age, and has resided in the State one year, and in the election district ten days next preceding the election, he shall be entitled to vote though he shall not have paid taxes."

Election Proclamation.

"Every person qualified as aforesaid, and who shall make due proof if required, of his residence and payment of taxes aforesaid, shall be admitted to vote in the township, ward or district in which he shall reside.

"If any person shall prevent or attempt to prevent any officer of an election, under this act from holding such election, or use or threaten any violence to any such officer, and shall interrupt or improperly interfere with him in the execution of his duty, shall block up or attempt to block up the window or avenue to any window where the same may be holden, or shall riotously disturb the peace of such election, or shall use or practice intimidation, threats, force or violence, with the design to influence unduly or overawe any elector, or prevent him from voting, or to restrain the freedom of choice, such persons on conviction shall be fined in any sum not exceeding five hundred dollars, to be imprisoned for any time not less than one nor more than twelve months, and if it shall be shown to the court where the trial of such offence shall be had, that the person so offending was not a resident of the city, ward or district where the said offence was committed, and not entitled to vote therein, on conviction, he shall be sentenced to pay a fine not less than one hundred or more than one thousand dollars, and be imprisoned not less than six months nor more than two years.

"If any person or persons shall make any bet or wager upon the result of an election within the commonwealth, or shall offer to make any such bet or wager, either by verbal proclamation thereof, or by any written or printed advertisement, or invite any person or persons to make such bet or wager, upon conviction thereof he or they shall forfeit and pay three times the amount so bet or offered to be bet.

And the election laws of the commonwealth further provide that "The Inspectors, Judges and clerks shall, before entering on the duties of their offices, severally take and subscribe the oath or affirmation hereinafter directed, which shall be administered to them by any judge, alderman or justice of the peace, but if no such magistrate be present, one of the inspectors of the election shall administer the oath or affirmation to the other judge and inspector, and then the inspector so qualified shall administer the oath or affirmation to him.

"The inspectors, judge and clerks required by law to hold township and general elections, shall take and subscribe the several oaths and affirmations, required by the 19th, 20th and 21st sections of the act of the 2d day of July 1839, entitled "An act relating to the elections of this commonwealth," which oaths or affirmations shall be prepared and administered in the manner prescribed in the 18th and 22d sections of said act, and in addition to the power conferred by the 18th section of said act, the judge, or either of the inspectors, shall have power to administer the oaths prescribed by said act, to any clerk of a general, special or township election.

"The following shall be the form of the oath or affirmation to be taken by each inspector, viz: 'I (A. B.) do——that I will duly attend to the ensuing election during the continuance thereof, as an inspector, and that I will not receive any ticket or vote from any person, other than such as I shall firmly believe to be, according to the provisions of the constitution and the laws of this commonwealth, entitled to vote at such election, without requiring such evidence of the right to vote as is directed by law, nor will I vexatiously delay or refuse to receive any vote from any person who I shall believe to be entitled to vote as aforesaid, but that I will in all things truly, impartially and faithfully perform my duty therein, to the best of my judgment and abilities, and that I am not directly, nor indirectly, interested in any bet, or wager on the result of this election.'

"The following shall be the oath or affirmation of each judge, viz: 'I (A. B.) do——that I will as judge duly attend the ensuing election during the continuance thereof, and faithfully assist the inspectors in carrying on the same; that I will not give my consent that any vote or ticket shall be received from any person other than such as I firmly believe to be, according to the provisions of the constitution and laws of this commonwealth, entitled to vote at such election, without requiring such evidence of the right to vote as is directed by law, and that I will use my best endeavors to prevent any fraud, deceit or abuse, in carrying on the same by citizens qualified to vote, or others, and that I will make a true and perfect return of the said election, and will in all things truly, impartially and faithfully perform my duty respecting the same, to the best of my judgment and abilities, and that I am not directly or indirectly interested in any bet or wager on the result of this election.'

"The following shall be the form of the oath or affirmation to be taken by each clerk, viz: 'I (A. B.) do——that I will impartially and truly write down the name of each elector who shall vote at the ensuing election, which shall be given me in charge, and also the name of the township, ward or district, wherein such elector resides, and carefully and truly write down the number of votes that shall be given for each candidate at the election, as often as his name shall be read to me by the inspectors thereof, and in all things truly and faithfully perform my duty respecting the same to the best of my judgment and ability, and that I am not directly or indirectly interested in any bet or wager on the result of this election.'

The qualified electors will take notice of the following act of Assembly, approved 12th day of March, 1866: AN ACT, Regulating the mode of voting at all elections, in the several counties of this commonwealth.

SECTION 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same, That the qualified voters of the several counties of this commonwealth, at all general, township, borough and special elections, are hereby, hereafter, authorized and required to vote, by tickets, printed, or written, or partly printed and partly written, severally classified as follows: One ticket shall embrace the names of all judges of courts voted for, and to be labelled, outside, "judiciary," one ticket shall embrace the names of all state officers voted for, and be labelled, "state;" one ticket shall embrace the names of all county officers voted for, including office of senator, member, and members of assembly, if voted for, and members of congress, if voted for, and be labelled, "county;" one ticket shall embrace the names of all township officers voted for, and be labelled, "township;" one ticket shall embrace the names of all borough officers voted for, and be labelled, "borough;" and each class shall be deposited in seperate ballot-boxes.

MIDDLETON'S

*WONDERFUL PAIN CURE*s

A sure remedy for Rheumatism, Neuralgia, Lumbago, Growing Pains, Sprains, Bruises, Stiffnes, of the Joints and all similar diseases.

This wonderful remedy is composed entirely of vegetable ingredients. There are no injurious substances used in its manufacture.

For assurance of its excellent properties, read the following certificates:

BEDFORD, May 8, 1869.

I take great pleasure in giving my testimony to the value of "Middleton's Wonderful Pain Cure." I have been a martyr to Rheumatism. For two months previous to Feb. 25th, last, I was suffering intensely with pain so severe, that during all that time I had not one night of comfortable sleep. I could not put my hands to my face, could not comb my own hair, nor feed myself; but after having the Pain Cure applied once, I found relief enough to give me comfortable sleep, and with its steady use, I continued to get better, and now at the end of ten weeks from its first application, I have comparatively free use of my hands, sleep well and can attend to business. It has done me more good than all other medicines I have ever used put together, and I cheerfully give this certificate of its value.

ELI M. FISHER.

BEDFORD, April 14, 1869.

Mr. W. W. Middleton,

This is to certify that I was taken with Rheumatism, in my right shoulder, on the evening of the 8th inst., so that I was unable to raise my hand to my face. I got some of your Pain Cure and applied it twice, and was entirely relieved. I would recommend to every one who suffers with Rheumatism to give it a trial and be cured.

Yours &c., A. F. MILLER.

BEDFORD, May 17, 1869.

Mr. Middleton,

DEAR SIR:—I have used several bottles of your medicine in my family, and find it to be all you claim for it. Yours, truly,

JOHN HAFER.

BEDFORD, May 13, 1869.

This is to certify that I have used "Middleton's Pain Cure," for Rheumatism, and was very much benefited by it. JOHN HARRIS.

BEDFORD, May 18, 1869.

This is to certify that I have used Middleton's Liniment, for the Rheumatism which I had in my right shoulder so bad that I could not get my hand to my head without great pain, and after a few applications was entirely relieved.

L. F. DART.

BEDFORD, May 1, 1869.

Mr Middleton,

Dear Sir:— Mrs. Bowser was in much suffering for some four weeks with Rheumatism, and got some of your Pain Cure, and the first night I applied it it eased the pain; and after keeping on using it for two weeks, she was restored to health. I feel it to be my duty, as it is a pleasure, to write this recommendation for the benefit of others. JACOB BOWSER.

BEDFORD, May 16. 1869.

Mr W. W. Middleton:

Sir—I procured a bottle of your Liniment for Rheumatism, and it gives me great pleasure in saying that after using it for two days, my rheumatism was completely relieved. My sister was suffering, at the same time, with Inflamatory Rheumatism in her right hand and wrist—after using it for several days she was relieved. I consider it the best remedy I ever heard of.

JOHN KEEFE.

BEDFORD, May 24, 1869.

This is to certify that I have used one bottle of Middleton's Liniment, for Rheumatism, and think it a good cure, and would recommend it to all persons that are afflicted with the above disease.

AUGUSTUS CARVER.

BEDFORD, May 26, 1869.

Mr. Middleton:

Sir—I procured one bottle of your medicine and used one-half of it for Rheumatism, which effected a permanent cure up to this time. I cannot hesitate in saying that it is the best remedy I ever used. A. B. CARN.

This excellent PAIN CURE is prepared only by W. W. MIDDLETON, Bedford, Pa, to whom all orders for the medicine should be addressed.

AYER'S

HAIR VIGOR,

FOR THE RENOVATION OF THE HAIR.

THE GREAT DESIDERATUM OF THE AGE.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color and the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts longer on the hair, giving it a rich glossy lustre and a grateful perfume.

AYER'S CATHARTIC PILLS,

For all the purposes of a Laxative Medicine.

Perhaps no one Medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative Pill. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these Pills rapidly cure:—

For DYSPEPSIA or INDIGESTION, LISTLESSNESS, LANGUOR and LOSS of Appetite, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For LIVER COMPLAINT and its various symptoms, BILLIOUS HEADACHE, SICK HEADACHE, JAUNDICE or Green SICKNESS, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For DYSENTERY or DIARRHŒA, but one mild dose is generally required.

For RHEUMATISM, GOUT, GRAVEL, PALPITATION OF THE HEART, PAIN IN THE SIDE, BACK and LOINS, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For DROPSY and DROPSICAL SWELLINGS they should be taken in large and frequent doses to produce the effect of a drastic purge.

For SUPPRESSION a large dose should be taken as it produces the desired effect by sympathy.

As a DINNER PILL, take one or two pills to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these PILLS makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

Our friends will find at Mr. Waters' store the very best assortment of Pianos, Melodeons and Organs to be found in the United States.—*Graham's Magazine.*

MUSICAL DOINGS.—Since Mr. Waters gave up publishing sheet music, he has devoted his whole capital and attention to the manufacture and sale of Pianos and Melodeons. He has just issued a catalogue of his new instruments, giving a new scale of prices, which shows a marked reduction from former rates, and his Pianos have recently been awarded the First Premium at several Fairs. Many people of the present day, who are attracted, if not confused, with the flaming adeertisements of rival piano houses, probably overlook the modest manufacturer like Mr. Waters; but we happen to know that his instruments earned him a good reputation long before Expositions and "honors" connected therewith were ever thought of; indeed, we have one of Mr. Waters' Pianofortes now in our residence (where it has stood for many years,) of which any manufacturer in the world might well be proud. We have always been delighted with it as a sweet-toned and powerful instrument, and there is no doubt of its durability; more than this, some of the best amateur players in the city, as well as several celebrated pianists, have performed on the same piano, and all pronounce it a superior and first-class instrument. Stronger endorsement we could not give.—*Home Journal.* jan15,'69.

AYER'S SARSAPARILLA,

FOR PURIFYING THE BLOOD.

The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develops into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this Sarsaparilla is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this Sarsaparilla: St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears, and other eruptions or visible forms of Scrofulous disease. Also in the more concealed forms, as Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia, and the various Ulcerous affections of the muscular and nervous systems.

Syphilis or Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. Leucorrhœa or Whites, Uterine Ulcerations and Female Diseases, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. Rheumatism and Gout, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also Liver Complaints, Torpidity, Congestion or Inflammation of the Liver, and Jaundice, when arising, as they often do, from the rankling poisons in the blood. This SARSAPARILLA is a great restorer for the strength and vigor of the system. Those who are Languid and Listless, Despondent, Sleepless, and troubled with Nervous Apprehensions or Fears, or any of the affections symptomatic of Weakness, will find immediate relief and convincing evidence of its restorative power upon trial.
